Authority and Reference: Pursuant to the authority vested by Section 2615 of the Business and Professions Code, and to implement, interpret or make specific sections 2650 and 2653, the Physical Therapy Board of California is considering changes to Division 13.2 of Title 16 of the California Code of Regulations as follows:

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

1) Amend section 1398.38

Business and Professions Code section 2653 authorizes the Board to establish criteria for approval and to approve physical therapy facilities supervising the period of clinical service of foreign educated applicants.

The existing regulation section 1398.38 establishes criteria for approval of the facility providing supervision of foreign educated physical therapists while commencing their period of clinical service.

The Physical Therapy Board of California proposes to amend Section 1398.38 by deleting subsections (a) through (d) which are not clear and have resulted in differing interpretations and inconsistent application of the requirements necessary to be approved by the Board to supervise foreign educated physical therapists during their clinical service.

The Board proposes to utilize two (2) forms, the *Clinical Site Information Form (CSIF)* developed by the American Physical Therapy Association Department of Physical Therapy Education as revised 11-01-99, and the Board's *Notice of Intent to Supervise a Foreign Educated Physical Therapist*, form F1B, revised August of 2003, to make clear what is required to become a facility approved to supervise foreign educated physical therapists during their period of clinical service.
